Appendix: Donation Acknowledgement Transaction Summary

What follows is a list of the individual transactions represented in the preceding donation acknowledgement. The list includes a summary of the different eligible charities you have supported through one-time or recurring donations, as well as any Charitable Gift Card purchases or Donation Currency you may have purchased for your Giving Account.

The name of the eligible charity receiving your donation funds is listed in the Description, where applicable. In some cases - such as purchases of Donation Currency or Charitable Gift Cards - a charity will not be listed because the selection of a charity occurs later.

Please also note that certain transactions, such as transfers of Donation Currency from your Giving Account to an eligible charity, may not be included below if a donation acknowledgement was already provided. In cases where another person or company has given you Donation Currency or a Charitable Gift Card, that other person or company has been provided with the donation acknowledgement.

This appendix is not an official tax receipt.
